

Capability Statement

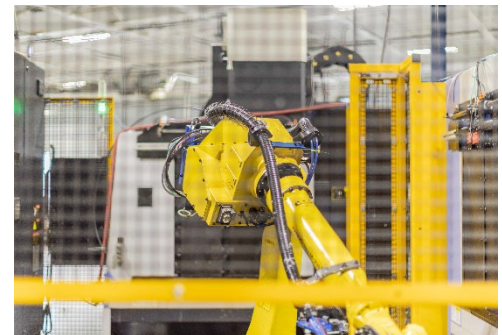

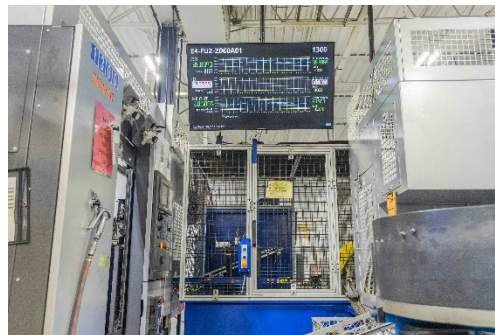

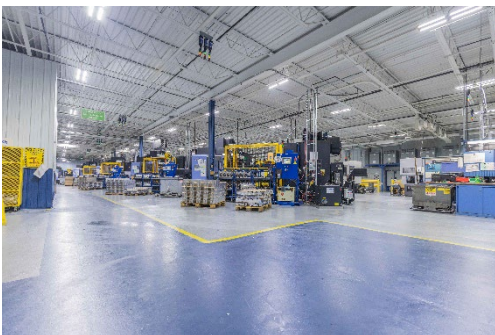

Mesco Manufacturing Group, LLC (Mesco) is a modern CNC machining, contract manufacturing and assembly company. High and low production volumes with prototype capabilities. Clients trust Mesco for our diverse industry experience, on-time premier quality, and a commitment to building long-term relationships. Established in 1995. ISO 9001:2015 certified. ITAR & DFARS registered.

Core Competencies

- Precision CNC turning: multi-axis, sub-spindle, with live tooling
- Precision CNC milling: multi-axis, vertical & horizontal
- Advanced Quality Inspection
- Turn-key contract manufacturing, saw cutting, post processing and assembly
- Quality assurance to customer specifications
- Laser etched DMC codes for detailed traceability

NAICS Codes

- 332710 – Machine shops
- 332721 – Precision turned product manufacturing
- 332722 – Nuts, metal manufacturing
- 332911 – Industrial gas valves manufacturing
- 332913 – Plumbing fittings & couplings manufacturing
- 336330 – Motor vehicle suspension components mfg
- 336390 – Various motor vehicle parts manufacturing
- 336410 – Aerospace product & parts manufacturing

Company Data

Cage Code: 9RVH1 | Duns #: 090589960 Business
 POC: Bryan Messer
 Phone: (812) 663-3870
 Email: sales@mescomfg.com
 Fax: (812) 662-6193
 Website: www.mescomfg.com
 Address: 900 Randall St., Greensburg, IN 47240
 Socio-Economic Status: Federal Small Business
 Work Area: North America

Industries Served

- Aerospace / Aviation
- Defense
- Automotive
- Oil & Gas
- Industrial
- Commercial/Retail

Differentiators

- In-depth precision CNC machining experience across multiple industries.
- In-house post processing & assembly capabilities
- Low & high volume production of complex machined parts.
- Automated machining cells & production lines.
- In-house gauge calibration capability.
- ISO 9001: 2015 & AS 9100D Certified.
- ITAR & DFARS registered and compliant.
